Moving to Costa Rica?

Your preparation checklist

Make your Costa Rica plans practical by connecting residence categories, income, healthcare and your departure abroad.

01 Map your move

Record your origin, possible destination, intended dates and who is moving. Note what is decided and what is still open.

02 Record what stays and what changes

List homes, family arrangements, work, accounts, investments and business interests that need attention.

03 Gather the useful records

Keep relevant housing, travel, identity and financial records together. Note missing documents rather than guessing.

04 Prepare your questions

Which residence category fits my finances and plans?
What should I check about local and foreign income?
What healthcare, document and registration steps should I prepare?

05 Choose your next step

Build your free Exit Plan. Order a compiled report or a separately agreed written review only when you want that additional service.
